STATE BUDGET DIVISION

Senator Heidemann,

The approval of LB 1 during the recent special session will have a minimal impact on the Nebraska Dry Bean Commission. The following responses to your letter will show the impact on our non code agency.

The Nebraska Dry Bean Commission currently has .80 FTE, with the passage of LB1 it is expected that there will be no impact on current staffing.

Currently there is no expected impact on Nebraska Dry Bean Commission research, education, promotion and marketing activities to the public or agency functions. The Commission plans to conduct all current activities and will make budgetary adjustments if needed to gain efficiencies.

Under LB 1 there is no cash transfers to the General Fund and accordingly will not have an impact on fees at this time.

LB 2 has no effect on the Nebraska Dry Bean Commission.

LB 3 has no effect on the Nebraska Dry Bean Commission.

Thank you for the opportunity to express the impact of LB 1, LB 2, and LB 3 on our agency. Please feel free to contact our office if you have any questions.

Best Regards,

Kenneth Rhoades
