

Agency 36 - State Racing Commission

Statutory Authority:

Nebraska Revised Statutes Chapter 2, Section 1201 through 1246. The Nebraska State Racing Commission has adopted and filed Administrative Rules Title 294 with the Revisor of Regulations as authorized by statute.

Vision Statement:

The vision of the commission is to prevent and eliminate corrupt practices and fraudulent behavior, and to maintain a high level of integrity and honesty in the horse racing industry in Nebraska.

Mission Statement:

MISSION: The commission carries out functions authorized by statute under the operations program titled ENFORCEMENT OF STANDARDS. The commission enforces statutory requirements and promulgates and enforces regulations.

PRINCIPLES: Protect, preserve, and promote agriculture and horse racing through effective and efficient effort to prevent and eliminate corrupt practices; insure fairness in decisions affecting licensees and patrons; insure due process in administrative proceedings; be attentive to the public and licensees and provide information concerning the industry and commission operations.

Goals:

The goal of the Racing Commission is to carry out the Enforcement of Standards program at an expenditure level that is reasonable in relation to the amount of live horse racing, number of licenses issued, and amount of wagering on horse races. Goals for FY 01-02 and FY 02-03 are:

1. program expenses/live racing days - \$5800 per day,
2. program expenses/licenses issued - \$270 per license issued,
3. program expenses/amount wagered = .52 cents per dollar wagered.

Note: Live racing days, licenses issued, and dollars wagered are determined on a calendar year basis at the middle of each fiscal year.

Agency 36 - State Racing Commission Program 074 - Enforcement Of Standards

Program Objectives:

During the FY 2001-2003 the racing commission will seek increased convenience for industry participants through participation in a National License Compact that will enable qualified racing industry participants who do business in more than one state to apply for a single license that will be valid in all participating jurisdictions.

The Racing Commission will seek increased efficiency and effectiveness in the licensing process through implementation of electronic collection and submission of fingerprints to the FBI and the Nebraska State Patrol.
