

# Agency 59 - Geologists Board

---

## Statutory Authority:

Statutory Authority: Nebraska Statutes Sections 81-3501 to 81-3541. The Geologists Regulation Act.

## Vision Statement:

The Nebraska Board of Geologists will continue to apply the highest standards of Board and professional oversight to process registering professional geologists and qualified organizations. At the same time, we envision activities in which we will collaborate with other geological organizations to: A) Develop public understanding of the value and practice of geology; B) Enhance communication about the ethical practice of geology among those members of the profession residing in Nebraska or working here on temporary projects; C) Continue to review the current law and amend it, as needed.

## Mission Statement:

The Nebraska Board of Geologists oversees the registration and licensing of professional geologists for the State of Nebraska, and ensures the enforcement and implementation of the Geologists Regulation Act [81-3534]. The Board ensures that all registered organizations and professional geologists meet the required standards and also, through the powers and duties granted by the legislation, comments on, interprets and develops public understanding of the practice of geology.

## Goals:

1. Revise the Rules and Regulations.
2. Establish a Roster of Registered Professional Geologists.
3. Establish a Website for immediate access to licensing information and registration forms.
4. Continue developing information brochures.
