## Statutory Authority:

The 1941 Legislature created the Nebraska Brand Committee to protect Nebraska brand and livestock owners from livestock theft through brand recording, brand inspection and livestock theft investigation programs. It is a cash fund agency, totally self-supported. Statutory reference 54-191.

## Vision Statement:

The Nebraska Brand Committee has a primary vision of a more service oriented group of employees that will be responsive to the needs of the livestock industry. Special emphasis will be given on increased training of personnel at the supervisory level and advanced methods of record retention.

With new computer technology, we would advance e-commerce for the public and for our staff.

## Mission Statement:

The Nebraska Brand Committee provides individual herd identification through brand recording, ownership protection through brand inspection at markets, packing plants, during private treaty sales, and when leaving the state and/or brand inspection area; investigations of cases which involve fraud in marketing cattle, and theft of livestock.

## Goals:

Major goals are placed on increased education of those involved in the livestock industry as well as departmental personnel at all levels and cooperation in the research of new forms of livestock identification.

With new technologies, we have a goal of reduced stored data in paper form and to expedite research and retrieval of records and information.
