

Agency 62 - Board Of Examiners Land Surveyors

Statutory Authority:

Secs. 81-8,108 to 81-8,127, Neb.Rev.Stat. (Reissue 1981) provides the authority and defines the duties of the Board of Examiners for Land Surveyors. The agency also has filed a complete set of operating regulations with the Revisor of Regulations.

Vision Statement:

The Board of Examiners for Land Surveyors protects the people of the State of Nebraska by adopting rules and regulations, reviewing applications for registration, conducting examinations, granting licenses, investigating complaints and conducting hearings. In addition, the Board collects registration fees, renewal fees and penalty fees.

Mission Statement:

The mission of this program is to enforce and administer the laws relating to regulations of land surveys through licensing in Nebraska and to improve the quality of surveyors practicing land surveying in Nebraska.

Goals:

The protection of the citizens of the State of Nebraska is the long range goal of the Board of Examiners for Land Surveyors. Protection will be provided through examination for registration and the regulation and continuing education of all Professional Land Surveyors registered in Nebraska. The primary focus of regulation and education are ethical practice, professional competency, and technical proficiency.
