

This is an example of the reporting on www.usaspending.gov that is required by FFATA in Section 1512 (c)(4) Reports on Use of Funds: subcontracts or subgrants awarded by the recipient. With ARRA funds, the State as the recipient may pass the award on through subcontracts or subgrants. These data elements will need to be reported to the federal agency not later than 30 days after the calendar quarter. The federal agency is required by ARRA to report these on a website, possibly www.usaspending.gov and www.recovery.gov. Please collect these data elements from your subcontract or subgrant agreements.
